ADOLESCENT HEALTH TRIBAL ACTION PLAN

ADOLESCENT HEALTH TRIBAL ACTION PLAN

Goal 1: Increase the capacity of Tribal health programs to improve adolescent health using culturally-appropriate policies, programs, and services.

Goal 2: Empower AI/AN adolescents in the Pacific NW to realize their full potential for health and development. Provide youth with the support and resources they need to take an active role in their own health and wellbeing.

Goal 3: Improve intertribal and interagency communication, coordination, and collaboration across sectors to promote adolescent health.
