## Request for Photos

Please send any photos of GHWIC work (community gardens, events, team meetings, etc.) to Anisha Quiroz, [AQUIROZ@cdc.gov](mailto:AQUIROZ@cdc.gov) with a short description of the photo.

Thursday, October 19 is **Indigenous Pink Day**.

**Indigenous Pink Day** is a national breast cancer awareness campaign for American Indians/Alaska Natives. Breast cancer is the second leading cause of cancer death and the most common cancer found in American Indian/Alaska Native women. The goal of Indigenous Pink Day is to educate all indigenous people on the importance of early detection and remind men and women to keep up to date on their screenings. This is a national awareness campaign, so you can participate from wherever you are! Read more [here](#).

## Announcements

Training: University—Vision, Design and Capacity Grant Writing Workshop

**L**earn to write winning grants and build sustainable partnerships to improve minority health. This workshop is intended for university/college junior faculty, staff, and health professionals. For further information, please contact [Tamara Henry](#) Register [here](#).

When: **October 26-27, 2017**

Where: **Flagstaff, AZ @ Northern Arizona University**

7th Annual Northwest Tribal Opiate Symposium

**T**he Muckleshoot Behavioral Health Program: Registration now open for the 7th Annual Northwest Tribal Opiate Symposium. The program will include: King County Opiate Task Force recommendations, a Tribal Medical Directors program overview, Washington state drug trends, and harm reduction. Space is limited to 4 attendees per tribe. Learn more [here](#).

When: **November 9, 2017**

Where: **Auburn, WA**

## Funding Opportunities

Bloomberg Fellows Program

**T**he Bloomberg Fellows program offers an exciting opportunity for individuals and organizations to work to tackle five critical health challenges facing the United States: addiction and overdose, environmental challenges, risks to adolescent health, obesity and the food system, and violence. We are pleased to announce that the application for the 2018 class of Bloomberg MPH Fellows is now open. Read more [here](#).

Tribal Transportation Program Safety Funds

**T**his program awards funding to tribal governments for the purposes of transportation projects related to safety, safety planning, and safety/ infrastructure. The TTPSF program emphasizes the development of strategic Transportation Safety Plans using a data-driven process as a means for Tribes to determine how transportation safety needs will be addressed in Tribal communities. Read more [here](#).

Deadline: **December 11, 2017**
