Location: Prior Lake, MN

IHS Announces New Program to Support Youth After Successful Substance Abuse Treatment

Blog post from the Indian Health Service (IHS) highlighting the launch of their new program to address the gap in services that occurs when youth are discharged upon successful completion of a Youth Regional Treatment Center (YRTC) and return to their home community where necessary support systems may not exist. This program, the YRTC Aftercare Pilot Project, will develop promising practices to reduce alcohol and substance use relapse. Read more [here](#).

Webinars

TACTIC Webinar Series—Strategy Sustainability in Action and Practice

This webinar will provide a practical framework along with insights and strategies for ensuring that community health improvement efforts are maintained and have a lasting, sustainable impact. Awardee presenters will share examples of how community organizations have planned for sustainability for their intervention strategies. The webinar will offer ways the community and partners can take ownership in incorporating sustainable processes within their programs as well as adapting and expanding on existing programs. Register [here](#).
