Monday, May 14, 2018 & Tuesday, May 15, 2018

MGT 449: Community Based Response to All-Hazards Threats in Tribal Communities

Monday, May 14, 8:00 AM – 5:00 PM

Tuesday, May 15, 8:00 AM – 12:00 PM

1.5 day course (12 hours)

[Full course information](#)

The purpose of this management level course is to provide tribal nations with the knowledge, skills and abilities necessary to effectively detect, respond to, manage and mitigate all-hazard threats using a whole community approach. This course will include a practical exercise designed specifically to meet the needs of tribal communities. Training is offered tuition-free through the Rural Domestic Preparedness Consortium (RDPC) and is certified by the US Department of Homeland Security (DHS).

Tuesday, May 15, 2018

Sheltering During Disasters: Protecting People on Tribal Lands

Tuesday, May 15, 1:00 PM - 5:00 PM

Half-day workshop (4 hours)

This workshop, co-instructed by the Federal Emergency Management Agency (FEMA) and the American Red Cross (ARC), focuses on protecting people on tribal lands through effective sheltering operations. Presenters will guide discussions on managing and operating shelters using fundamental, consistent and flexible principles based on best practices. Tribal cultural protocols and partnerships will be emphasized and incorporated into the discussion.
