WHAT IS DONE TO ONE IS FELT RYALI

PROTECT OUR LOVED ONES

45% of American Indian/Alaska Native women have experienced intimate partner violence, and 1 in 7 men is a victim of intimate partner violence.

- Intimate partner violence is also known as domestic violence.
 It involves physical and sexual violence, as well as emotional abuse and threats of violence.
- IPV affects both heterosexual and same-sex couples, even if they do not have a sexual relationship.

 If you know someone who is in an abusive relationship, tell them that you are concerned for their safety, acknowledge that they are in a difficult situation. be supportive, and encourage them to get help.
