HEALTHY TRIBES

RESOURCE DIGEST

Welcome to Centers for Disease Control and Prevention's (CDC) tribal resource digest for the week of June 3, 2019. The purpose of this digest is to help you connect with the tools and resources you may need to do valuable work in your communities.

Announcements

[Lightning in the Hand: An Apache Leader Hunts for the Past to Nourish the Future](#) by Chris Malloy from the Phoenix New Times. An excellent article regarding Twila Cassadore from the San Carlos Apache Tribe Department of Forestry. Enjoy!

Food Distribution Program on Indian Reservations Nutrition Paraprofessional Training Project

The Food Distribution Program on Indian Reservations Nutrition Paraprofessional Training Project anticipates awarding a cooperative agreement to an accredited public or private academic institute of higher learning, a research or training institution, a non-profit organization, or other qualified organization by September 2019. The selected organization will develop and deliver a pilot project that teaches FDPIR local agency staff to provide basic nutrition information to program recipients. Read more [here](#).

Application Due Date: **July 8, 2019**

In this issue:

- [Announcements](#)
- [Funding Opportunities](#)

Strengthening the Tribal Response to Violence Against Native Women

Training, technical assistance, and resources designed to help individual tribal governments and tribal communities strengthen the response to effectively address sexual assault, domestic violence, dating violence, and stalking. Read more [here](#).

Application Due Date: **Applications accepted on an ongoing basis**

Call for Abstracts: 2019 3rd Annual National Native Health Research Training Conference

The NNHRT Conference Committee welcomes abstracts addressing topics related to the theme of the 3rd Annual National Native Health Research Training Conference, The Tribal Health Research Agenda: Governance, Trust, and Culture and focusing on AI/AN research-related activity consistent with the four tracks described below. Abstracts are invited from a variety of disciplinary and interdisciplinary perspectives. Interested in a diversity of (inter-)national, regional, and local perspectives. Submissions by researchers, health care practitioners, health systems experts, and doctoral students engaged in research are welcome. Researchers from all organizational and institutional types (health service providers, governmental agencies, Tribal Colleges and Universities and other institutions of higher education) are encouraged to submit abstracts. They particularly welcome new scholars and members of AI/AN Tribes and other Indigenous populations interested in creating and engaging with a community of scholars through participation in the annual NNHRT conference. Read more [here](#).

Submission Deadline: **August 1, 2019**

Event Date: **September 23-25, 2019**

Location: **Temecula, CA**

Association of American Indian Physicians Pre-Admission Workshop

A 2-day workshop for American Indian/Alaska Native undergraduate and graduate students that addresses the skills necessary for successful application and admittance to health professional school. Read more [here](#).

Application Deadline: **June 28, 2019**

Call for Presentations: 2019 23rd Annual Tribal Leaders Summit & Trade Show

You are invited to submit a proposal to share your experience and expertise with colleagues at the 2019 UTTC Tribal Leaders Summit (Summit). Our goal is for people to experience educational, informative, inspirational, and entertaining, professional development while networking with other tribal leaders. Read more [here](#).

Deadline: **June 28, 2019**

Event Dates: **September 3-5, 2019**

National Conference on American Indian/Alaska Native Injury and Violence Prevention

Raise the health status of American Indians and Alaska Natives to the highest possible level by decreasing the incidence of severe injuries and death to the lowest possible level and increasing the ability of tribes to address their injury problems. Read more [here](#).

Event Date: **July 23-25, 2019**

Location: **Denver, CO**

Funding Opportunities

National Institute of Diabetes and Digestive and Kidney Diseases Travel Awards for AI/AN Undergraduate Students

A limited number of travel awards will be provided to attend the Association of American Indian Physicians Annual Conference. Awards will go to American Indian/Alaska Native undergraduate students who have an interest in biomedical research relating to the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) mission areas. Read more [here](#).

Due Date: **June 19, 2019**
