### Alzheimer's Disease Programs Initiative (ADPI): Dementia Capability in Indian Country Funding Opportunity

**A** CL's Alzheimer's Disease Programs Initiative (ADPI): Dementia Capability in Indian Country funding announcement seeks to support and promote the development and expansion of dementia-capable home and community-based services (HCBS) in Indian Country. The dementia-capable services resulting from program activities are expected to provide quality, person-centered services and supports that help people living with dementia and their caregivers remain independent and safe in their communities. More info [here](#).

**Applications Due: May 26, 2020**

### Social and Economic Development Strategies for Alaska (SEDS-AK)

**P**rogram provides financial assistance for community-driven projects designed to grow local economies, strengthen Native American families, including the preservation of Native American cultures, and decrease the high rate of current challenges caused by the lack of community-based businesses, and social and economic infrastructure in Native American communities. New this year: Through tribal consultations and various meetings throughout Native communities, ANA has identified several priority areas that may benefit from funding for community-based solutions through the SEDS program in FY2020.
